SCHOOL MEALS

We are very pleased with the improved quality of school meals since we have been getting our meals cooked by Chartwells at St Mary's RC School. Feedback from the children is really positive...

We have arranged for a taster sessions with foods from our winter menu. The taster sessions will take place on 12th October at 3pm.

You will be able to collect your child and taste some of the dishes that will be on the Winter Menu that starts after the Autumn Half term.

Census Day Thursday 5th October

On census day we have a **Build a Burger** day and hope to have high school meal number on this day. Please support this as the uptake on this day affects our funding for meals.

Parent and carer class meetings

Thank you for attending these meetings last Friday.

We hope that you feel fully informed about your child's learning this year.

Please do contact your child's class teacher if you have any queries at all.

Election of Parent Governor

The governors at St Mary's School are seeking to appoint a parent governor to the governing body. Being a governor is a great way to get involved in the school community and we very much seek to get full parent/carer representation.

Please call into the school office for details/to collect a nomination form if you are interested.

Completed forms to be returned by

Monday 2nd October

Peacefest

Our school choir took part in this event and here are their thoughts...*"We sang four songs outside the Cathedral. My favourite song was 'Sing a song in unison' I really enjoyed it."* Sevi Class 4

Secret garden update

Thank you to all parents who helped last weekend.

The next day of action in Saturday 30th September starting at 8:30am

Maths Achievements

We are encouraging all children to learn their times tables and will celebrate our "Times Table Champions" in future newsletters!

Penzance South traffic proposals

As you may be aware Cornwall Council are consulting on traffic and parking.

We are very concerned as a school of the proposed restrictions to parking in front of the Sandy Park as the proposals states Limited waiting "Mon-Sat 9am-6pm 2 hours, no return within 4 hours"

Please send any comments to:

Education Sunday Samba at Truro Cathedral

A group of children from Year 4 represented St Mary's School excellently at the Annual Education Sunday service for the Truro Diocese.

The children performed samba in Truro Cathedral while the participating schools processed with their banners.

The children performed extremely well and I was extremely proud of their musicianship and behaviour.

A big thank you to Mrs George, Mr Tyreman and Rev Sian for helping on the day as well.

The school were complemented on their performance by Rev Simon Cade, Director of Education for Truro Diocese.

"We played different drums at the end of the Church service. It was definitely fun and the first time I had been to Truro Cathedral."
