

*Together we can make a difference*

**Daily Morning Worship Tuesday 28<sup>th</sup> April**

*One more step along the world*

*One more step along the world I go,*

*From the old things to the new,*

*Keep me travelling along with you.*

*We normally sing this song at the start and end of school years when we have challenges ahead and we don't really know what these will be or how we will feel about them.*

*There have certainly been challenges in the last 6 weeks that we have all had to face. So, when we sung this in school today it felt very different to how it normally feels.*

*We reflected on the Road to Emmaus story. This is a post resurrection story which you can find here: <https://www.youtube.com/watch?v=ndtnZV-5QTo>*

The friends in this story walk along with a stranger recounting the stories about him.

It is not until they sit down and share bread that they realise the 'stranger' is Jesus.

In the story the friend walking along the Road feel a range of emotions, from sadness to surprise, joy, elation and a sense of needing to go out and tell others what had happened on their journey to Emmaus.

Lots of artists have used this story to inspire their painting.

Some children liked this one. 'I like the 3 friends', 'I like their arms around each other,' I like all the friends holding hands'

Other children liked this one. 'I like the colourful patterns.' I like the this, it all colourful with flowers and trees, everyone is playing,'

Some chose this one, 'I like the way Jesus looks. He looks good!', 'I like the way the picture has been made from lots of little pieces.'

*'I like this one it is just the outline of Jesus. He is always with us even when we can't see him.'*

*I wonder which one you liked best and why?  
I wonder what you would put in a picture of this story?*

*Dear God,  
Thank you for the gift of your son Jesus.  
May we know he is beside us on all the journeys of life,  
Amen*
