

Please make sure your child does not bring any food **containing nuts and eggs (hard boiled or scotch)** into school. We have 2 children with serious nut and egg allergies. Thank you for your co-operation in this matter.

St Mary's C of E School News

Wednesday 6th November

Assembly Value this half term

This half term we are looking at the value of trust in our assemblies. We will be exploring this value through activities, bible stories and contemporary stories as well. Please look on our website for ideas to explore at home with your child.

https://www.st-marys-ce-pz.cornwall.sch.uk/website/assembly_values/406715

We will be holding a Children's Eucharist on Wednesday 4th December with Madron Daniel (St Maddern's) School. The service will be at St Mary's C of E School.

Safety Around school and Redinnick Place

Redinnick Place gets very busy at the start and end of the school day.

Please can you make sure that children are supervised crossing the road at the start and end of the school day. Please find a space to cross to the school and make sure your child is NOT dodging between parked cars.

Also if you can walk to school then this is by far the best option and will help climate change as well! Cars MUST NOT park on the schools zig zag lines and access to the school MUST be kept clear at all times. Please be sensitive to residents around Redinnick. We love being in the centre of town but know that parking is an issue. If we can all be considerate of each other then this will make sure everyone keeps safe. Thank you in advance for understanding.

New playground equipment and safety

The children are enjoying playing on the new playground equipment in the main playground and at the front of our EYFS area. Please be aware that we supervise children from 8:40 but before these times and after school we cannot be responsible for your child's safety. Please make sure your child is playing safely.

Thank you for understanding.

St Mary's Environmental Leaders

We have signed up with Surfers Against Sewage to be part of Plastic Free Penzance and our environmental leaders have met and made the following decision:

We have decided to have recycling bins in the hall for packed lunches so we can reduce our waste.

We are going to have two bins one for plastic and one for crisps packets.

Please help us to reduce our waste.

Next week our Environmental Leaders are going to the Primary Climate Change Conference at Humphry Davy School. Update in next news

School Charity 2019 -2020

After a close vote our school charity for this year will be Cancer Research. The Year 6 charity leaders will be organising events for fund raising later this term. Well done to all Year 6 who prepared presentation and helped organise voting.

Parent and Carer consultations

Thank you to all parents and carers who attended our recent parent and carer meetings. If you have NOT yet seen your child's class teacher then please contact them as soon as possible. By working together we achieve the best for your child.
