

# Impact of the Primary PE and Sport Premium

Website Reporting Tool  
Revised October 2017

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>All children (F-Y6) are now having swimming lessons (Minimum 12 sessions per year)            We came 3<sup>rd</sup> in the school Gala out of 16 school in Penwith. The 1<sup>st</sup> time we had been in the top 10.</p> <p>Last year, it was the first time that our school reached county level (Level 3, Cornwall School Games) in any sport.</p> <p>6 of our sporting teams reached county level competition for, badminton, dance, indoor athletics, cross country and tennis.</p> <p><u>At county level, we achieved:</u>            Y5/6 Badminton won GOLD            Y3/4 Badminton came 3<sup>rd</sup>            Y5/6 Dance SILVER medal            Y3/4 Tennis GOLD in plate.</p> <p>For the 1<sup>st</sup> time, we competed in the Netball and hockey leagues. Our hockey and netball teams came 3<sup>rd</sup> in their leagues, narrowly missing out on the next stage.</p> <p>The children were introduced to new sports which include; lawn bowls, grass cycling, balanaceability and surfing.</p> <p>We had our greatest participation in afterschool sports clubs with an increase of 42% from previous years. We did this with an increase in the range of clubs across the key stages.</p>	<p>To enhance the participation of girls in upper ks2 sport.</p> <p>To enhance the support/participation of vulnerable groups in sports clubs.</p> <p>To provide CPD for teaching staff in gymnastics and dance.</p> <p>To provide CPD for lunchtime/ breakfast club staff to enhance physical exercise of all children.</p> <p>To train playground leaders who can lead sport in the playground and in intra-school sports competitions.</p> <p>To further enhance sporting opportunities for children at local and county level.</p> <p>To increase the percentage of children using a range of strokes.</p> <p>To increase the percentage of children achieving a safe self-rescue in a range of water situations.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	95%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	85%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	85%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/No
