

An Baya

Together we can make a difference

Daily Morning Worship Wednesday 29th April

Today in our reflection with Rev Sian we continued to think about the journeys that we go on.

We looked at this image:

What is it?

Which way up does it go?

Some children thought it was a maze, some thought it look like the inside of a tree.

One person knew what it was a labyrinth! And it goes this way up...

Can you trace the path with your finger? Enter at the bottom and do not cross over any black lines. Can you get to the middle? How long does it take you? Sometimes the route might take you further away from where you are trying to get to.

We can't go on proper journeys at the moment but we can go on a virtual journey and use the labyrinth to help us.

Can you think of somewhere you would like to go? In Penzance? Maybe the Jubilee Pool? Maybe to watch Rugby or play football? Maybe you can think of a holiday you have been on? Maybe you can think of somewhere you would like to go and find out about that country?

What things would you like to see on your journey? What would you put along the labyrinth to help you think about that time?

Try adding pictures or symbols to your labyrinth.

Then take the journey through the labyrinth and think about being thankful for the world.

Dear God,

Thank you, God, for our beautiful and interesting world.

Thank you for the places, plants, animals and people we have not met yet.

We pray everyone is safe at this time.

Help us to appreciate this amazing world and to always be thankful,

Amen

Labyrinth prayer challenge

Time how long it takes you to get to complete the labyrinth, can you write prayer that takes the same amount of time?
