

The night has passed, and the day lies open  
before us,

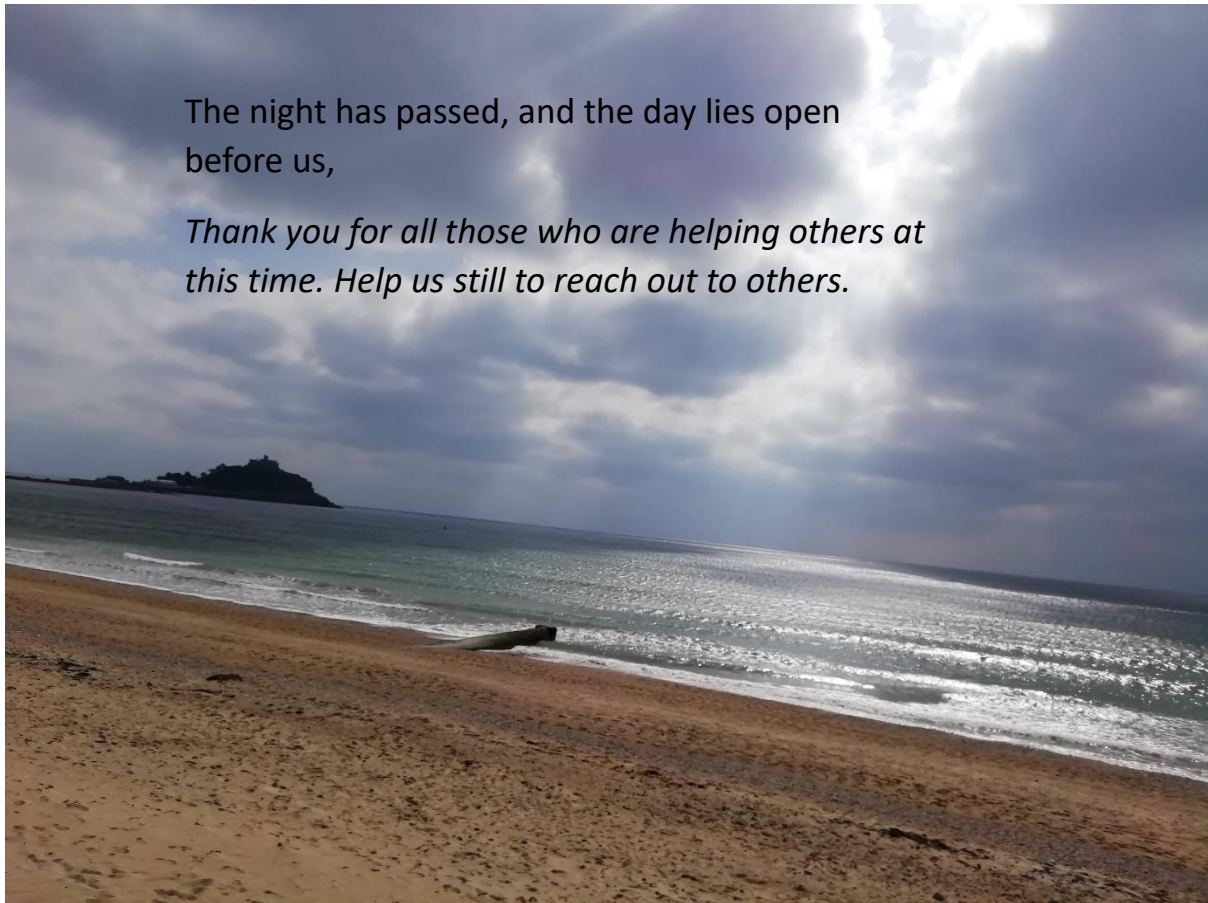

*As we start the new day we think about our  
beautiful world, the sea, the glistening sun on  
the water, sky, clouds moon and stars.*

The night has passed, and the day lies open  
before us,

*Please help all in our community in the  
challenging times ahead.*

The night has passed, and the day lies open  
before us,

*Thank you for all those who are helping others at  
this time. Help us still to reach out to others.*

*We use this format for our morning prayer in school*

*If your child would like to write a response to*

*‘The night has passed and the day lies open before us....’*

*Or you have a photo to share as the back drop for this, then please  
email these to*
