

**An Baya**

*Together we can make a difference*

**Daily Reflection Thursday 4<sup>th</sup> June**

## **The long road to recovery**

This week we have started welcoming back children to school. We have started cautiously with two small groups of Year 6 in. As we come back together as a community what do we choose to focus on? Although we are together in one building we cannot meet together for assemblies yet. But do share our daily act of worship with ALL our community.

Today we stopped to think about the times we have been living through.

What has it been like for each of us?

What have we missed and are still missing?

What things are there to celebrate in this time and feel grateful for?

What are the things you feel thankful for?

During lockdown at school we have often made lists of things to feel thankful for and every morning we begin our worship with the words

‘The night has passed, and the day lies open before us’

We then ask the children to say what we are thankful for.

We say this line three times.

What are you thankful for today?

Having a moment to reflect in this way seems the wise thing to do and we start the feeling grateful for all the gifts in our precious world.

Let’s be thankful for those around us, supporting us and if you can’t hug them then make a heart with your hands to show that in this time, love and support towards all will help us through.
